

Cub Scout Pack 107 Costs.

### **National Fees**

If you are joining in the fall, Joining fee is \$10.00 This fee registers your son in scouting for the rest of 2009. This also includes Boys Life Magazine.

Re-registration is \$29.00 this registers your son with the national BSA organization Jan1 2010 thru Dec 31 2010. This also includes Boys Life Magazine. We will begin collecting this in October as part of the Pack Re-charter process for the next year.

### **Pack Fees**

Dues \$5.00 per month. This funds the expenses that the Den Leaders incur when they purchase materials for their activities. This is tracked by the Den Leader.

Activities Cost. Most Pack Activities that we have will have a cost associated with them. This would be things like Campouts. Those are on a per activity basis so if you do not participate you would not owe for these activities. Our most expensive activity is Fall Cub Adventure. This year the registration cost is \$30.00 per family plus we will need to purchase food for that activity. We have not yet designated how much the food cost will be. Other activities should be significantly less money.

### **Other Expenses:**

Uniform Costs. The Uniform is a one time cost, we have another handout that details this cost, but it normally runs about \$60.00. Be sure you get the Scout Handbook. If you need to spread things out and not buy everything all at once, pay the registration fees and buy the book, he

Class B Uniform: This is just a T-Shirt. We normally order a batch at the beginning of the school year. Cost on this is around \$7-\$9 dollars depending on the quantity we order.

### **Scout Accounts:.**

A portion of the Popcorn fundraiser goes to the scout account. The Scout Account can be used to pay any of the above expenses. We had scouts last year sell enough popcorn to cover all of their expenses with no problem.
